The Best Cough Medicine

When a druggist finds that his customers all speak well of a certain preparation he forms a good opinion of it and when in need of such a medicine is almost certain to use it himself and in his family. This is why so many druggists use and recommend Chamberlain's Cough Remedy. J. B. Jones, a well known druggist of Cumberland, Ky., says: "I have used Chamberlain's Cough Remedy in my family for the past seven years, and have found it to be the best cough remedy medicine I have ever known." Obtainable everywhere.

NEGLECTING THAT GOLD OR COUGH?

Why, when Dr. King's New Discovery so promptly checks it

IT'S natural you don't want to be careless and let that old cold or cough drag on or that new attack develop seriously. Not when you can get such a proved successful remedy as Dr. King's New Discovery.
Cold, cough, gripe, croup does not resist this standard reliever very long. Its quality is as high today as it always has been—and it's been growing steadily in popularity for more than fifty years. 60c and \$1.20 a bottle at all druggists. Give it a trial.

Constipated? Here's Relief

Not that often harmful, always violent and temporary help that comes from harsh purgatives, but the comfortable, gratifying, corrective regulation of stubborn bowels so pronounced in Dr. King's New Life Pills.

Tonic in action, they promote free bile flow, stir up the lazy, thoroughly but gently cleanse the system of waste matter and fermenting foods, and give you keen zest for hard work and healthful recreation. All druggists—25 cents.

No Great Act of Heroism Required

If some great act of heroism was necessary to protect a child from croup, no mother would hesitate to protect her offspring, but when it is only necessary to keep at hand a bottle of Chamberlain's Cough Remedy and give it as the first indication of croup appears, there are many who neglect it. Chamberlain's Cough Remedy is within the reach of all and is prompt and effectual. Obtainable everywhere.
